# The VIKING advantage

## Protection. Durability. Mobility.

The VIKING PS1000 fit-to-purpose fire suit range is all about safety and durability. Harnessing attention to detail and in-depth knowledge of fabrics, our designers combine materials and features to create the right level of protection and safety. You can be sure you'll get a suit tough enough for your needs.

Comfort is top of mind, too. It is designed to conserve your energy so you can stay focused on saving lives. All PS1000 models offer superior fit that minimises bulk. From the cut to its pre-bent knees and elastic adjustments, you have the freedom of movement to just get on with the job.

You know it's a VIKING when it comes with a wide range of accessories, layer combinations and suits for the right level of protection.
